

Cordero San Giorgio

Piasa Rosato IGT Provincia di Pavia

Vineyards Location: Santa Giuletta in Oltrepò Pavese
Vinification: The grapes are softly pressed before the alcoholic fermentation which occurs in stainless steel tanks at a controlled temperature.

Grape varieties 100% Croatina

Soil Clay

Alcohol 13%

Tasting notes

Intense and bright cherry pink color. On the nose, it opens with a markedly fruity bouquet, where the aromas of small berries, such as raspberry and wild strawberry, are complemented by fresh floral aromas of violet and rose. Fruity palate, well balanced by fresh acidity and a pleasant sapidity, revealing a rich and fragrant full-bodied wine with a lingering finish. Perfect with charcuterie, light cheeses, grilled meats, and pizza, but also ideal pairing with shellfish, fried anchovies, or fried fish.
