

Vivier Wines

Pinot Noir Sonoma Coast

Sonoma Coast Pinot is created from three vineyards in the Petaluma Gap region. The primary source is an old farm ranch with fantastic heritage Burgundian selections; a hidden gem with 30 year old vines. Also included is Pinot from 15 year old vines at Gap's Crown Vineyard, on the western hillside of Sonoma Mountain in the most northern part of the Petaluma Gap, and a dash of Pinot from Van Der Kamp vineyards, one of California's oldest planted vineyards, located at high elevation on Sonoma Mountain. Cool marine breezes clear the hillsides of morning fog, this Pinot Noir thoughtfully blends the best characteristics of each plot of land into a layered, complex whole.

Grape varieties Pinot Noir

Alcohol 12.8%

Tasting notes

Earthy nose composed of Asian spice, violet and rose petal mixed with black cherry and mocha so characteristic of our best vintages. On the palate, the same complexity of flavors returns with layers of delicate red fruit, floral notes and touches of a gentle earthiness and minerality. The texture of the wine is intricate and airy, still bringing power and density on the finish. So elegant and ready now, but could also be kept for 10-15 years in your cellar.
