

Cordero San Giorgio

Ramé Pinot Grigio Oltrepò Pavese DOC

The grapes are hand-harvested from Cordero San Giorgio's vineyards in Santa Giuletta. After de-stemming, a short maceration using inert gas in the press is done followed by a soft pressing.

Grape varieties Pinot Grigio

Altitude 150m - 200m ASL

Soil Clay

Tasting notes

Intense and luminous coppery color. The nose opens in a range of fruity and floral notes with hints of apple, pear, apricot, and acacia flowers, with a slightly sweet, almost honeyed finish. The palate is as sweet and soft as the nose. A light-bodied and elegant wine, with a round sip and a lingering finish, and a very light tannic final aftertaste. Excellent as an aperitif and as pairing for light appetizers, raw fish, and light cheeses. Perfect with risotto and main courses based on fish and white meats.
