

Nisia

Rueda Verdejo

Location: Santiuste de San Juan Bautista. This town is located in the province of Segovia, in the southeasternmost subzone of D.O. Rueda, which is the highest altitude zone and resisted phylloxera.

Vineyard: Alto de la Rivilla, Cuesta de la Rivilla, & Pago Fuentecilla

Viticulture: Traditional dry farmed viticulture. Organic goblet trained vines (vaso system). Cultivated completely by hand. All of the vines used for Nisia are ungrafted, as this part of D.O Rueda is phylloxera resistant, due to the extremely sandy soils.

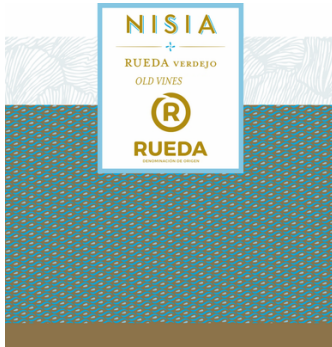

Grape varieties 100% Verdejo

Altitude 830m ASL

Soil Extremely poor alluvial sandy soils from ancient riverbeds, with the presence of river stones.
