

Cordero San Giorgio

Exergia Moscato d'Asti

Vineyard: The vineyards are located in San Giorgio di Castiglione Tinella , in Langhe area (Piedmont), and are characterized by mainly calcareous soil with sandy veins. The average age of the vines is about 40 years: the oldest was planted in the 50s and the youngest in 2012.

Grape varieties 100% Moscato Bianco

Soil Mainly calcareous soil with sandy veins

CORDERO
SANGIORGIO

EXERGIA
MOSCATO D'ASTI
DE SANBONA AZIENDA DE BORGONE CASALBONNE SVALLE SAN GIORGIO

Tasting notes

Brilliant straw yellow color and fine perlage. The nose is intense and aromatic, opening with a delicate bouquet in which hints of acacia flowers, peach and a musky aroma can be recognized. On the palate it is sweet, elegant and fresh thanks to its good acidity. Lingering finish of ginger and summer fruits.
